

YSTC seeks support from local area business to help defray club expenses for community events, volunteerism, education, insurance, and marketing. Your sponsorship will help promote multi-discipline and endurance sports, a healthy lifestyle, and support community agencies through our volunteerism and events.

Members of the club participate in numerous events each year and spend hours training around the community. Not only do our members participate in many local and regional events, but they also compete throughout the country all while wearing club apparel. As a result, our membership can provide your company with repeated exposure if featured on club apparel as a sponsor.
